

British Sign Language Interpreting Diploma

On completion of the one year Interpreter Development Program you may apply to enrol on our Signature Diploma in Sign Language Interpreting. We may consider evidence of prior learning.

DAS Interpreting Course is a rolling program. To enrol on the program you will undertake a free initial assessment at the centre. You will be given feedback and advised as to whether you are ready to start the program.

WORKSHOPS ARE RUN MONTHLY ON SATURDAYS THROUGHOUT THE YEAR

The Signature Sign Language Interpreting Diploma consists of five units

Mandatory Units:

INT6A - Prepare for sign language interpreting assignments

INT6B - Interpret one way as a professional sign language interpreter (English to BSL and BSL to English)

INT6C - Interpret two way as a professional sign language interpreter

INT6D - Develop your performance as a sign language interpreter

PLUS

Choose one unit from the following options

INT6E - Support sign language interpreting through sight translations of routine written documents

INT6F - Work with other sign language interpreters
